

# SITUATIONAL DEFENCE

Setting Next 4 Drills:

Small groups of players work in 10m x 10m grids - The defence's role, after the ball has passed his opposite, is to take the inside position on the next, outside attacker (this can not occur under a wedging system)

(a) Against Run Around

6  
players  
3  
attackers  
3  
defenders

## DRILL

- A2 around A3
- D3 takes A3
- D2 follows A2
- D1 fills in

## ALTERNATIVE

- A2 around A3
- D2 communicates to D3 to take out A2
- D2 takes A3
- D1 fills in

Also use A1 around A3
